

# **1**

I woke up.

I took an aspirin.

## 2

I woke up and scribbled several pages in my notebook. It seemed important. Then I burned the pages.

I sat in the tub and looked at my body.

I fell asleep.

### **3**

The overwhelming feeling was that something fundamental had shifted and I hadn't noticed.

I got naked and washed in the tub.

The lamp won't turn on but from inside comes a noise like a tape recorder.

I fell asleep.

4

I fell asleep.

## 5

I woke up suddenly.

I cleaned the mirror in the bathroom.

## 6

I woke up and for a moment thought I was home.

I checked my body in the mirror.

I fell asleep.

I had a dream about a hallway.

## 7

Woke up alone.

I shaved.

The telephone still didn't work. When I tried to call I heard a click, as if someone else was listening.

I fell asleep.

I had a dream about a hallway.

8

I fell asleep.

I had a dream about a hallway.
