I sat in the tub for what felt like a long time.

The overwhelming feeling was that anything could happen from one moment to the next.

I checked my eyes in the mirror.

I fell asleep.

The overwhelming feeling was that of someone watching me as I woke.

I washed my face over and over.

The lamp wouldn't turn on but from inside came a noise like a tape recorder.

I fell asleep.

I woke up and couldn't open my eyes.

My papers were all out of order as if someone had read them while I slept.

I had a dream about a hallway.

I drank a glass of vodka. I did as many push-ups as I could. I ate a plate of chickens. I felt sick and I vomited. I did as many push-ups and leg squats as I could. I tried to go for a run around the house but I blacked-out and can't remember what happened. I tried to do some push-ups but my body felt wrong. I tried to stretch but my whole body felt wrong. Woke up tired again. I looked at my nails, they were long and jagged. I drank a glass of vodka. I felt tipsy. I tried to stretch but everything hurt and I couldn't explain why. I ate grapefruits.

I woke up suddenly. I opened a drawer and found a small tape recorder, still running. I tried to do some push-ups but my body felt wrong.

Woke up tired again. I checked my face in the mirror. I looked the same but scared. I tried to do some push-ups but my body felt wrong.

I woke slowly. I looked in the mirror for as long as I could. I tried to go for a run around the house but the door was jammed and I couldn't push it open. My papers were all out of order as if someone had read them while I slept.

I woke up suddenly. I checked my face in the mirror. I looked as long as I could. I had to turn away. My papers were all out of order as if someone had read them while I slept. I tried to do some push-ups but my body felt wrong.

The overwhelming feeling was that everything I knew didn't apply anymore. I looked at my nails, they were long and jagged. The lamp wouldn't turn on but from inside came a noise like a tape recorder.

I woke up and I could see nothing in the dark. The telephone still didn't work. When I tried to call I heard a click, as if someone else was listening. I tried to do some push-ups but immediately I felt dizzy and had to sit on the floor until it passed.

I woke up but didn't get out of bed, not for what felt like a long time. The telephone still didn't work. When I tried to call I heard a click, as if someone else was listening. I tried to stretch but everything hurt and I couldn't explain why.

I woke up with a fever. Time passes in strange ways here. I tried to stretch but my whole body felt wrong.

I woke up and realized I couldn't hear anything. I checked my face in the mirror. I looked the same but much older. My papers were all out of order as if someone had read them while I slept. I did as many leg squats as I could.
