Time passes in strange ways here.

My papers were all out of order as if someone had read them while I slept.

I took off my shirt. Was this my body?

I looked at my hands, which were covered in cuts. The furniture was all rearranged.

I checked my face in the mirror. I looked as long as I could. I felt watched.

I felt tired. I felt watched.

I heard someone stop outside the door.

I found a small insect in my coat pocket, round and dark like a small camera. I squished it.

I looked in the mirror for as long as I could.

22

I examined my eyes in the mirror, red and unfocused. There are no chairs in the house. The windows are always locked. The house doesn't have any curtains. I ate cucumbers. I had as many vodkas as I could. Afterwards, I felt sick. I fell asleep.

23

Woke up agitated. It was too dark to see the mirror. The house has more hallways than it should. The house doesn't have any curtains. All the lightbulbs have burned out.

24

I didn't want to wake up. I filled the basin with cold water. I put my face in. There was a pile of notes from the agency on the table. I picked up the top one. There was a pile of notes from the agency on the floor. I picked out one at random. It was blank.

25

27

I looked at my nails, how dirty they were. Only one of the lamps works. All the lightbulbs have burned out. The kitchen doesn't have any forks. I felt watched all the time.

28

I woke up suddenly. I looked pale. There was a pile of notes from the agency on the floor. I picked up the top one. There was a pile of notes from the agency on the floor. I picked out one at random. 29

I woke up with a fever. My teeth looked crooked. I set up the camera equipment and photographed the accused. They have begun to fidget nervously. I fell asleep.

30

The overwhelming feeling was of urgency. I looked at my nails, they were long and jagged. The door to the basement is always locked. The house has more hallways than it should. The house doesn't have any curtains. I felt watched. I wrote my daily report. I ate elderberries. Afterwards, I felt stoned. I fell asleep.

31

I woke up though it was still dark. I felt tired. I found a note from the agency in my pocket. The note read: EAT-ONLY-MEAT. ELIMINATE-SUSPECT-IF-POSSIBLE. I drank a glass of vodka. I held my stomach for what felt like a long time. I observed the accused. They appear alert. They have stopped sleeping. I sat on the floor and wrote my report. I had as many vodkas as I could.
