

# 1

Woke up whispering my name.

I didn't feel good so I took an aspirin.

## 2

Woke up tired again.

I washed my face over and over.

I fell asleep.

### **3**

I woke up suddenly.

I washed my face over and over.

The telephone still didn't work. When I tried to call I heard a click, as if someone else was listening.

I fell asleep.

4

I fell asleep.

## 5

I woke up and couldn't open my eyes.

I took an aspirin.

## 6

I woke up tired.

I locked myself in the bathroom.

I fell asleep.

I had a dream about a hallway.

## 7

I woke up and vomited.

I sat in the tub and looked at my body.

My papers were all out of order as if someone had read them while I slept

I fell asleep.

I had a dream about a hallway.

8

I fell asleep.

I had a dream about a hallway.
